Ganny £51950

Les Allen 1996 - 60ft - Traditional Stern Narrowbeam boat lying at Dunchurch Pools Marina

Ganny is a traditional boat built by Les Allen in 1995. The Allen yard had a proud history of building and restoring boats over many years. Ganny is a fine example of a well balanced traditional boat, with a lovely, high quality professional fitout. At 60' Ganny accommodates a boatmans cabin and engine room, whilst still having a good size saloon. Entering from the cratch covered well deck you step down in to a good size saloon with sofa and single chair. The stove with back boiler is new in September 2025. The galley has a good selection of floor units. The Statesman cooker was new this year. Off the passage passage way is a bathroom and excellent sized bedroom. A door from the bedroom leads into the engine room housing the Lister FR2 and all services. At the stern is the boatmans cabin, an essential part of a true traditional boat. All traditional paintwork by Dave Moore.

Ganny
