Carpe Diem £376950

Stoke On Trent Boatbuilders 1994 - 40ft - Traditional Stern Narrowbeam boat lying at Droitwich Spa

Carpe Diem was built by the well respected company, Stoke On Trent boatbuilders, well known for their quality builds, both in steel work and bespoke interiors. At 40' in length this is a great starter boat for leisure use or equally to be used as a livaboard. The saloon is entered from the bow and has seating either side which makes up into a comfortable full width of boat bed. There is also a table supported on two desmo legs for dining. Heating is provided by a Reflex diesel stove. The hand crafted galley has a number of floor units with drawers. There is also a very handy breakfast bar for two. There is a set of side doors with steps and an opening top hatch. The bathroom is off the passage way and has a cassette toilet, sink in a vanity unit and bath with shower over. A floor to ceiling cupboard provides excellent storage. There is also a large wardrobe/cupboard off the passage way.
