## Zephyr £82950

### Roger Farrington 2002 - 60ft - Traditional Stern Narrowbeam boat - Outlying

Zephyr is a 60 foot trad stern, tug style boat, with steel work by the highly respected Roger Farrington of Ivy Bridge Marine and a fit out of the highest quality in beech & oak as can be seen in the cabinet work throughout. Starting from the bow there is a bow cabin, complete with stove and sleeping options. Between the bow cabin and the main cabin area is a covered hold area with concertinas doors either side. This area would work well for someone looking to trade from the boat. The main cabin consists of a galley with bespoke units, a comfortable saloon, walk through bathroom and engine room housing the Lister JK2M and all services. The back cabin uses the space very well with its fixed double bed, but still retaining the all important back cabin stove and drop down table, so retaining that very traditional look. It may be possible to retain the mooring with the sale.
