Jonathan Wilson/Leisure boating Services 2015 - 60ft - Traditional Stern Narrowbeam boat lying at Dunchurch Pools

Columbus is one very special boat. The combination of Jonathan Wilson and Boating Leisure Services combined to create the 2015 Crick Boat Show winning boat. The boat gets commented on where ever she goes, outwardly giving the impression of a very traditional tug style boat with a Joser style bow with false rivets, recessed panels at the stern, cabin end beam, false engine room lid, and false back cabin chimney and exhaust stack. Then moving inside the interior is stunning from bow to stern. The very cleverly designed side sliding steps into the saloon gives access to the bedroom under the tug deck. Then follows the saloon, galley with breakfast bar, washing machine and microwave. The bathroom is a walk through, followed by the bedroom. The craftsmanship in this boat is of the highest standard from award winning builders. Call Ian on 07799 858980 for more details, and how to view.

Columbus

CONSTRUCTION
