Roger Fuller Boat Builders 2002 - 60ft - Traditional Tug Style Stern Narrowbeam boat lying at Dunchurch Pools

Here your chance to purchase a very special traditional style boat, built by one of the leading builders of traditional boats, Roger Fuller. Over the years Roger was responsible for building some of the most detailed re-makes in the style of boats of yesteryear. Bruizer balances traditional style with a modern, comfortable interior. The saloon is a comfortable space, and has a multi fuel stove, storage chairs, hinged dining table, 2 cupboards and book case. The galley has a good number of bespoke built floor units and wall cupboards. The bathroom has a cassette toilet, sink in a vanity unit and hip bath with shower over. The engine room houses all the services including the very clean HA3 Lister. At the stern is the boatman's cabin, which is also the bedroom, all the features you expect to find. This is as nice a boatman's cabin I've been in for a long time. Special boat.
