## Uranus £69950

### **Harland & Wolff Star Class 1935 - 70ft - Traditional Stern Narrowbeam boat lying at Mercia**

Uranus, built for the GU Company in 1935, started life as a butty being converted in 1977/78 to a motor, retaining the bow section and having a full length cabin added by Malcolm Braine, renowned restorer/ builder. Recently a full professional paint job was undertaken in the colours of John Knill. The accommodation is as follows. A comfortable saloon area with under gunwale cupboard, Multi fuel stove, wardrobe, TV cupboard & pullmans dinette. Galley with Vanette cooker, 12v fridge & water heater. Bedroom with cross bed & deep bedside cupboards with hanging rails. Bathroom with pumpout toilet, hip bath with shower over and sink in a vanity unit. Engine room and boatman's cabin. Uranus has been in good ownership, being maintained to a high standard, reflected in the recent paint job. A survey was undertaken in 2025 for the purposes of insurance. This is great chance to own a piece of history.
