Lucy Crown £69000

Warwickshire Fly Boat Co 1992 - 60ft - Traditional Stern Narrowbeam boat lying at Droitwich Spa

Lucy Crown is a boat of great character, built by the well respected Warwickshire Fly Boat Co, renowned for restoring and building new traditional style boats. The interior wood work and finish is of a high quality and although port holed the interior has a light feel. This tug style boat has a long planked fore deck with excellent storage below. The forward Saloon has an L shape dinette, multi fuel stove, storage cupboard and under gunwale shelving. The Galley has painted floor units with solid oak work tops and handy under floor cool storage area. Walk through Bathroom with shower, cassette toilet and sink in a vanity. The engine room houses the Lister JP2 benefiting from having hydraulic drive giving full height headroom(6'2") into the boatman's cabin. The boatman's cabin is a delightful place to be with all the normal features you would expect with decoration by Ron Hough.
