## Kingfisher £49950

### **Low Maintenance Aluminium Sea Otter 2014 - 33ft - Cruiser Stern Narrowbeam boat lying at Mercia**

Kingfisher was bespoke built by Sea Otter for her present owners, commissioned in 2014, and believed to be the last boat built by Sea Otter. The very flexible accommodation makes this an ideal family boat, as this 33' boat will sleep 5. Entering from the well deck which has a cratch and cover over, you step down into the saloon area with its seating either side, which by night can be used as 2 single berth or a make up double using the full width of the boat. A TV is mounted on the cabin side. The galley has a skylight over, fridge and cooker. Off a central passage way is a toilet compartment and separate shower, opposite there is a number of cupboards. At the stern is the day cabin with seating to one side, which can also be a single berth with a 2 seater Pullmans opposite, which by night can make into a single berth with a bunk bed above, there is also the option of a cross double bed.
