Simon Wain / Owner Professional Fitout
1995 - 50ft - Traditional Stern
Narrowbeam boat lying at Mercia

Its a privilege to be asked to sell this fine traditional style narrowboat,commissioned by the present owners who I have known for many years,they have boated Lindola around most of the system during there ownership. Lindola has a fine pedigree,hull and superstructure having been built by Simon Wain,a name well known for building some of the finest modern traditional boats, Lindola is real head turner.Entering you can't fail but be impressed by the quality of the woodwork and homely feel.The galley is forward of the saloon,in reverse layout style,there are dog boxes overhead.Leaving the comfortable saloon saloon the bathroom is off the passage way followed by the bedroom and engine compartment.When looking at this boat you must ignore the age,Lindola is a one owner boat, owned by true enthusiasts, with an impeccable pedigree.
