## My Talitha £68950

**SOLD**

### Tim Tyler 2003 - 62ft - Traditional Stern Narrowbeam boat lying at Mercia Marina

My Talitha is a lovely example of a quality second hand boat. This boat was sold by us 4 years ago and still looks as good, benefitting from a recent full paint job. The steel work is by Tim Tyler and has all the normal style and flair expected from this builder. The interior is a wonderful mixture of woods with a stunning standard of workmanship. The layout is traditional with a long saloon at the front, galley with all the appliances for long term cruising or residential use. Pulman dinette with storage under, this also makes into a double berth for guests. Walk through bathroom with full body shower, sink in vanity unit and Sanimarine electric flush toilet. Traditional engine room with side doors either side housing the impressive Beta JD3 Tug engine. Bedroom at the stern with fixed double, wardrobe and boatmans cabin style drop down table which doubles as a cupboard and dressing table.

Printed on 17th August 2015
