Huff N Puff £83950

Tyler Wilson 2004 - 62ft - Traditional Stern Narrowbeam boat lying at Mercia Marina

Huff N Puff is a beautifully crafted narrowboat built to order for the present owners by Fernwood, with steel work by Tyler/Wilson. The boat has been maintained to the highest standard regardless of cost as this has been their home from the day the boat was launched. Much thought has gone into the systems on this boat, enabling it to be a comfortable home whether hooked up or living off batteries. The interior as does the exterior paintwork follows an Art Deco Theme with flowing curves and intricate joinery throughout. The layout is traditional with a comfortable saloon at the front with, TV/DVD cinema surround & CD player. Well equipped galley with washing machine. Bedroom with fixed double, under bed drawers, wardrobe and overhead lockers. Luxury walkthrough bathroom with roll top bath, macerator toilet and sink in vanity unit. Huff N Puff is an exceptional boat, viewing recommended.
