Tyler / Wilson
1998 - 37ft - Traditional Stern
Narrowbeam boat - Outlying

Ezra is a very pretty, well balanced Josher style tug, built by Tyler/Wilson. This a very simple, workmanlike boat, ideally suited to single handed boating. Intricate steel work featuring recessed panels and replica rivets.

From the stern there is the splendid boatmans cabin with all the usual features, including a magnificent Stratford range for warm winter boating as well as cooking on the move! Cross bed and table cupboard .Engine room housing a Lister JP2 with PRM gearbox. Forward of the engine room is a recently re-fitted, bespoke galley with Belfast sink, LEC 24v fridge and gimballed Taylors diesel/paraffin stove and a Seagul(General Ecology) water filtration system . Ezra is a gas free boat, gas could be installed relatively easily. Viewing by appointment through the Mercia office.

Printed on 21st February 2017
