**Paul Barber
2014 - 59ft - Traditional Stern
Narrowbeam boat lying at Mercia Marina**

This is a great opportunity to purchase a Paul Barber built, traditional style narrowboat. Paul is one of a select bunch of builders still producing a well proportioned traditional boat. This boat is as new and would make a great livaboard or long term cruising boat. The layout is traditional with a long forward saloon with a multi fuel stove with a back boiler. Houdinin hatches in the roof flood light into the boat. A well equipped modern galley with granite work tops has a washing machine, Shoreline fridge, Stoves cooker and microwave. Walkthrough bathroom with quadrant shower, Thetford toilet and sink in vanity unit. Engine room has a magnificent Lister JS3M with a PRM gearbox originally built in 1963 and completely restored by Marine Power Services before fitting to boat. The back cabin has a large drop down bed as well as plenty of storage.

Printed on 27th April 2018
