Staverton £48950

SOLD

Steve Priest, Brinklow Boat Services 1998 - 62ft - Traditional Stern Narrowbeam boat lying at Mercia Marina

This is a rare opportunity to purchase one of the best looking tugs on the system, built by Steve Priest of Brinklow Boat Services. From the stern there is a short boatmans cabin, still maintaining the essential range, but being shorter has enabled the builder to put in a bedroom with a fixed double, something many boats of this style lack without compromising the essential long tug deck. Engine room housing a JP3 Marine engine and all services. Walkthrough bathroom with 4' bath with shower over, wash basin and cassette toilet. L shape galley with Vanette oven and hob and Electrolux 3 way fridge. A very useful floor to ceiling cupboard on the opposite side with a drop down table. There are 2 sets of side doors either side of the galley. Long forward saloon with a multi fuel stove with back boiler. Staverton has always been a head turner with its workman like lines. viewing essential.

Printed on 7th November 2017
