Bella George is a 60'x 12'4" Cat C barge, designed and built for conditions upto, and including, wind force 6 and wave heights up to, and including 2 metre wave heights. Very comfortable accommodation for family and friends, with a comfortable saloon, Central wheelhouse, which is a great entertaining area, winter or summer. There are 2 sleeping cabins, a master cabin with double bed with en-suite-access to the main bathroom. At the stern there is a guest cabin equally as comfortable as the main bedroom, this has the option of 2 single berths or a large made up double. There is also full en-suite.
