2017 - 57ft - Cruiser Stern

Narrowbeam boat lying at Mercia Marina

Hard to find a sailaway shell without waiting well into 2018. Here we have a 57' cruiser stern sailaway, the hull has been shot blasted and 2 pack epoxy blacked with a high build primer on the top sides. The inside has been sprayfoamed and battened, the spray foam has been cut back ready for lining out. The floor is in 18mm Far Eastern ply. Portholes throughout with 1 set of side doors. There is a bow tube fitted, the motor could be fitted prior to the sale by agreement with the owners. The engine is the upgrade Canaline 42hp with a PRM 150 hydraulic gearbox.

This is a good looking boat with a fine bow and an upswept stern with lockers either side and with a rail enclosing the stern end, there are gates either side giving security on the stern deck.

Printed on 15th May 2018
